Brief Introduction to SPICE:

MOTTO:

To bridge the gap between Campus and Companies and overall personality development of the students.

VISION:

To empower MCA students with the Soft Skills, Technical Skills, Aptitude Skills that enhance their overall personality development and prepare them for the corporate world here at VESIT.

MISSION:

We provide opportunities for the holistic development of students through Expert sessions and a diverse set of activities.

SPICE was formed to bridge the gap between the college syllabus and the placements. SPICE conducts aptitude test sessions by experts and ex-students to make students understand the aptitude level of dream companies as well prepare them for such placements in both aptitude and interviews. It also aids their overall personality development by giving them the confidence to speak via GD and debate sessions and prepare them for the corporate world.

Events Conducted under SPICE

Event 1: SPICE Induction Session

On **2nd September 2025**, an induction session for **First-Year MCA students** was conducted by the **SPICE Committee** to introduce students to the committee's vision, activities, and role in overall student development. The session highlighted SPICE's initiatives focused on soft-skills training, communication improvement, interview preparation, and personality development.

Students were also informed about the planned events for the academic year and were encouraged to participate actively to enhance their professional and interpersonal skills.

Event 2: Election For FY coordinators

On **15th September 2025**, the SPICE Committee successfully carried out the election process to appoint the new **First-Year Coordinators** for the **2025–27 term**. The selection involved nominations, screening, and a transparent voting procedure, ensuring that the most dedicated and capable students were chosen. After thorough evaluation, **six candidates** were elected as coordinators.

These newly selected coordinators will play a key role in the smooth functioning of SPICE by:

- Organizing and managing **weekly aptitude tests** for both divisions
- Coordinating communication between students and committee members
- Assisting in **training and development activities**, including GD and interview preparation
- Encouraging active participation in SPICE-driven initiatives
- Supporting placement readiness programs and maintaining records
- Helping implement new ideas to enhance student skill-building

Their contribution will be essential in strengthening SPICE's efforts toward student growth, skill enhancement, and professional development in the upcoming academic years.

The selected six candidates are:

1. **Rushikesh Yadav (FYMCA/Div A)**
2. **Dhruv Goradia (FYMCA/Div A)**
3. **Bhumika Chandwani (FYMCA/Div A)**
4. **Tanay Bhomia (FYMCA/Div B)**
5. **Siddhant Gorte (FYMCA/Div B)**
6. **Shruti Mohanan (FYMCA/Div B)**

Event 4: Online Aptitude Test for FYMCA

On **10th October 2025**, SPICE organizes and conducts weekly aptitude sessions for FYMCA students to enhance their placement preparedness. The aptitude tests are conducted in both online and offline modes and cover essential topics including **Logical Reasoning, Quantitative Aptitude, Verbal Ability, and Basic Computer Knowledge**.

These sessions help students strengthen their problem-solving abilities and improve their overall aptitude performance during placement drives.

Event 5 : Offline Aptitude Test for FYMCA

On 21/11/2025, an offline test was conducted on the Wayground platform by the FYMCA coordinators. The test comprised questions on logical reasoning puzzles, English vocabulary and word games, computer science concepts, and a small coding challenge. A total of 54 students actively participated in the test. The assessment helped evaluate students' analytical thinking, problem-solving abilities, language proficiency, and foundational programming skills.

Venue: 1st Floor, Room No. 114

Speaker: Dr. Sushil Dhuldhhar, Assistant Professor, Department of Humanities & Applied Sciences

Session Details:

The session aimed to enhance students' understanding of effective group discussion techniques, improve communication skills, and build confidence for interviews and professional interactions.

The session was conducted by Dr. Sushil Dhuldhhar, who delivered an informative and engaging talk on the key aspects of group discussions. He explained the importance of clear communication, active listening, and structured thinking during discussions.

Sir highlighted several crucial factors to keep in mind during a group discussion, including:

- Maintaining proper **body language**
- Demonstrating strong **communication skills**
- Listening actively and respecting others' opinions
- Presenting ideas confidently and clearly

The session was interactive, with real-life examples that helped students better understand practical scenarios.

Towards the end of the session, a **mock group discussion** was conducted to give students hands-on experience.

- **7 students** were invited to participate in the mock GD
- **3 students** were asked to judge and write a review of the discussion

This activity allowed participants to apply the concepts learned and helped the audience observe and learn from real-time performance.

The session was highly informative and beneficial for students. It provided valuable insights into effective participation in group discussions and helped boost confidence for academic and placement-related activities.

Venue: 1st Floor, Room No. 113 and Room No. 112

Judging Panel 1: Mrs. Ruchi Rautela and Mrs. Indira Bhattachariya

Judging Panel 2: Mr. Sunny Nahar and Dr. Meenakshi Garg

A group discussion activity was conducted as an extension activity following the session on **The Art of Effective Group Discussion** to provide participants with practical exposure and enhance their communication abilities.

The activity aimed to help students apply the concepts discussed during the session, such as effective communication, teamwork, leadership, critical thinking, and confidence building.

Participants were divided into groups of 8-10 and assigned relevant discussion topics related to current affairs, technology, social issues, and career development. Each group was given time to prepare its points and actively engage in the discussion.

Students demonstrated enthusiasm by presenting their opinions, listening to diverse perspectives, and responding thoughtfully to others' viewpoints.

The activity provided a platform for participants to improve their speaking skills, analytical thinking, and ability to work collaboratively in a team setting. Overall, the extension activity was highly interactive, engaging, and beneficial in preparing students for placement interviews and professional discussions.
