Department of Information Technology

A session on “*Personal Branding and Corporate Networking*” was conducted on 29th March 2025 in Room B52 on the fifth floor of VESIT. The speaker, Ms. Payal Sachdev, led an engaging and insightful discussion on how personal branding plays a vital role in today’s highly competitive professional environment. The session aimed to equip attendees with strategies to build a strong personal brand, communicate their value effectively, and expand their professional networks for enhanced career growth.

Ms. Sachdev began by emphasizing the importance of **building a compelling personal brand**. She highlighted that a strong personal brand is not just about self-promotion but about crafting a unique professional identity that reflects one’s strengths, values, and expertise. Participants were encouraged to identify their core competencies and express them consistently across all platforms.

Industry Visit - Company Name	Industry Visit - Location/Venue	Industry Visit - Start Date	Industry Visit - Duration	Industry Visit - Description
Air Traffic Control Tower ” At	Chhatrapati Shivaji International Airport	27 Feb 2025	4 hrs	The students and faculty of Vivekanand Education Society's Institute of Technology (VESIT) visited the Air Traffic Control (ATC) Sky Tower at Chhatrapati Shivaji International Airport on 27th December 2025. This industrial visit was aimed at providing students with practical exposure to Air Traffic Management (ATM) operations, particularly focusing on the critical Departure and Arrival phases of a flight. The visit was a unique opportunity for students to observe real-time air traffic control operations and understand the role of controllers in ensuring aviation safety.
